Mr. Wattles -

Re the attached, do you want me  
to try to locate previous such  
requests?

p.

*p - yes - there  
is a recent name  
from Cal by name -*

*should see -

While I consider  
this request justified,  
shouldn't OTR have  
asked your permission  
ahead of time?

There are scheduled  
sessions and under  
some precedent facts  
that I'm not aware  
of, I suggest we  
require prior approval.
